DEVELOPMENT DEPARTMENT.

G.O.Ms.No.325 Dated the 24th January 1949.

Read: G.O.No.Ms.No. 1940 Development, dated 19-5-1945.

ORDER:

In July 1944 the Director of Agriculture proposed that the permanent cadre of Upper Subordinates in the Agricultural Department may be increased by 25% in order to enable confirmation of the officiating Upper Subordinates who have been in continuous service for more than five years. The Director of Agriculture was asked to report the number of posts that have been in existence for more than five years and are likely to be continued and which might be added to the permanent cadre. The Director of Agriculture stated that only 22 posts satisfied the 5 years' unit referred to above and that if only these 22 posts are to be made permanent it will give relief only to a united number of Upper Subordinates awaiting confirmation. Taking into consideration the likelihood of several temporary posts being made permanent in due course the Director of Agriculture has represented that at least 115 permanent posts should be created. The Government have carefully examined the proposals of the Director of Agriculture. In view of the fact that Upper Subordinates appointed to the temporary posts in one scheme are switched on to another scheme after its closure and that all these subordinates continue for several years to be temporary though the posts in which they have been officiating have not been in existence for more than 5 years the Government agree that the normal procedure of creating substantively only those posts which have been in existence for more than five years cannot be applied to the present case. It is however observed that the strength of the Upper Subordinates, permanent and temporary, was only 286 and 80 respectively in 1939. His Excellency the Governor of Madras considers that it will be sufficient if the temporary staff as it stood in 1939 is made permanent and direct that 80 (eighty) permanent posts of Upper Subordinates be created in lieu of such temporary posts with effect from the date of this order.

2. The Director of Agriculture is requested to report the posts made permanent with reference to para 1 above. He is also requested to suggest necessary amendments to the cadre strength of Upper Subordinates fixed in G.O.No.962, Public (Services), dated 24th March 1942.
